2007 Proud Sponsor

All proceeds from the **TOMA RIDE** go towards helping
burned children
post hospital care through out the province.

With the monies raised, TOMA
purchases items such as pressure garments, ergo-therapeutic masks
And silicone gel pads for the burned child.
TOMA also sponsors other activities such as a computer gifting
program for burned children deemed to be in psychological,
clinical or social isolation.
These state of the art multi-media computers are given to the child
fully equipped and with free internet time.
Without your valuable contribution none of this would be possible.
Thank You.

Jennifer Sultana Memorial Award

*Will be presented to the participant with the most
donations for TOMA*
